## Branch Manager USA - Specialized Farm Equipment (m/f/d)

**Do you have what it takes to develop the business to the next level? Our client is a small, highly specialized, family-run and constantly growing German company developing and manufacturing mechanical weeding equipment for row crops and vegetables. We are seeking a hands-on branch manager to lead the local team and develop the business in the USA and Canada further. Are you ready for this opportunity? – Send us your resume or call us today.**

### **Responsibilities:**

- Managing all office operations including sales, order fulfillment, product delivery, customer and dealer service, warehouse, inventory organization, assembling & marketing
- Professionally organize administration and communication processes including invoicing and financials
- Develop national business opportunities
- Execute professional field demonstrations
- Represent the company at important national fairs and farm shows
- Be the first point of contact for all dealer and customer requests
- Monthly reporting to the Headquarters in Germany

### **Qualifications:**

- Bachelor degree in agriculture wanted
- Good practical crop farming background
- 3-10 years of experience ideally as dealer outlet manager or warehouse manager for agricultural machinery with commercial responsibility
- Commercial & technical skills
- Strong communication & people skills
- Good project management & documentation skills
- Openness to work for a small family-owned German company
- Entrepreneur attitude
