Global Sales Director - Fertilizer Specialties (m/f/d)

Our customer is a globally producing and operating company for special fertilizers and bio-stimulants. In research and development, the company is strongly committed to improving the efficiency of plant nutrition and strengthening plant resistance: both with the aim of a highly sustainable plant production. - Interested? Contact us today by mail or telephone!

What you can expect:

- Define the global strategy together with the global business director
- Develop the worldwide sales organization
- Close communication with collaborators from marketing, technical support and R&D
- Translate R&D results into additional sales
- Represent the company at trade-fairs
- Key account management
- Evaluate market analysis data and trends
- Team with passion for modern agriculture
- Attractive salary package including company car
- Working from home possible

What is required:

- Agricultural degree from university - paired with commercial sense
- International experience in sales and technical services
- Market knowledge of bio-stimulants and specialty fertilizers
- Proactive industry networker
- Leadership skills
- Result orientation
- Pioneering mentality
- Willingness to travel internationally
- Excellent command of English - any additional language is a plus
